## POSITION: PORTFOLIO GROWTH MANAGER

### ABOUT THE ORGANIZATION

A Better Chicago is a nonprofit venture philanthropy fund devoted to changing how Chicago fights poverty by investing in bold ideas that create opportunity for our youth. Driven by the core beliefs that education has the power to change everything and that charity as usual doesn't work, A Better Chicago invests in and supports a select portfolio of high-performing nonprofits that are putting low-income students on a path toward high school, college and career success. Through its approach to selecting and supporting outstanding organizations, A Better Chicago seeks to improve opportunities for young people while setting an example of how philanthropy can drive compelling results at scale.

#### **Current challenge and A Better Chicago's solution:**

Despite decades of reform efforts, only 18 percent of Chicago Public School freshmen are graduating from college by the age of 25, and even fewer enter a career with a family-sustaining wage. In response, A Better Chicago is harnessing best practices from the public and private sectors to find, fund and scale a portfolio of high-performing nonprofit organizations that puts low-income students on a path to high school, college and career success. Through a combination of funding and management support, A Better Chicago is providing Chicago's most effective nonprofits with the financial and intellectual capital to thrive.

#### **Key elements of A Better Chicago's model include:**

- **Rigorous due diligence:** A Better Chicago carefully screens organizations and only funds those that have strong leadership, a compelling program model and a demonstrated commitment to outcomes measurement
- **Adding value:** It takes more than just money. A Better Chicago provides strategic support in areas like business planning, executive search and leadership development—all of which are critical to building strong organizations and achieving meaningful outcomes
- **Results:** A Better Chicago's team works tirelessly so that every dollar raised has the maximum possible impact. The organization openly shares its performance because it believes in accountability. It's part of how A Better Chicago is transforming philanthropy
- **100% impact:** A Better Chicago's board of directors and leadership council cover all of our operating expenses, so 100 percent of all donations are directly invested in our portfolio of outstanding nonprofits

#### **Since launching in 2010, A Better Chicago has made compelling progress:**

- Raised over \$30 million to invest in Chicago's most effective nonprofits
- Built a founding board, leadership council, impact council and high-performing staff
- Reviewed 700+ organizations and built a portfolio of 11 high-performing organizations
- Developed partnerships with leading professional services firms to help grantees tackle their most pressing strategic and operational challenges

## **ABOUT THE POSITION**

To drive progress towards its mission, A Better Chicago has set two ambitious targets: 1) help expand the service capacity of outstanding organizations in Chicago by 80,000 students and 2) achieve an aggressive set of portfolio performance targets, including a 60% college graduation rate of 9th graders, which compares to a current rate of approximately 18% in Chicago Public Schools. The Portfolio Growth Manager will play a critical role in building a portfolio of grantees with the highest potential to achieve these ambitious goals. Specifically, this individual will help shape and execute A Better Chicago's efforts to source new candidates for investment and will lead A Better Chicago's rigorous due diligence process – an intensive, multi-stage assessment of fit with A Better Chicago's selection criteria – to determine which organizations to recommend for investment.

### **Why this is your dream job:**

This is an ideal role for a self-starter who is eager to deploy their strengths of curiosity, creativity, and exceptional analytical thinking to shape the portfolio – and inform the strategies and approaches – of a rigorous venture philanthropy fund with highly ambitious goals. This role provides an unmatched opportunity to 1) learn the ins and outs of the education-and-career-focused nonprofit landscape in Chicago and nationally; 2) lead complex, mission-critical work with a high level of autonomy; 3) foster deep relationships with high-caliber nonprofit leaders; and 4) work with an amazing and collaborative team to take on new challenges and achieve ambitious goals. If the idea of using your skills and experience to build A Better Chicago's portfolio in service of dramatically enhancing opportunities for low-income students is exciting, this is your ideal job.

### **Why this is a challenging job:**

A Better Chicago is a fast-paced, highly entrepreneurial organization that maintains high standards and ambitious targets – all with a lean team. Each member of A Better Chicago's team relishes the opportunity to roll up their sleeves to be a part of building something great. A successful Portfolio Growth Manager should expect to work hard, spend plenty of time outside their comfort zone and embody the mindset that no task is too big or too small. The work of candidate assessment and due diligence is complex, and the Portfolio Growth Manager will need to cut through ambiguity to effectively prioritize candidates for investment and steward clear decision-making. In support of this work, the Portfolio Growth Manager will need to allocate their own and team members' capacity and manage “up, laterally, and down” to ensure the work is moving forward both efficiently and with the rigor and quality expected at A Better Chicago.
